Cold and Flu Season is still going on. Please keep students home that are ill. If your child's class runs *Simultaneously* send us an email to let us know they are ill and we will send you a Zoom link so they can join us online. Otherwise we can send you a recording of the project. Painting classes will need to be made up on a different day once your child is well again. Students that have a cough should wear a mask if attending class. If you do not have any an ActonArt teacher will provide one.

 **Winter Weather Notifications** - If we need to cancel In-Studio classes, due to weather or any other reason, it will be posted on the front page of our Website - www.ActonArt.com and you will also receive an email notification. Most drawing classes should be able to be held over zoom and those links will be provided in a separate email. (Please check your spam folders.) All other classes will be rescheduled at a later date.

Lets give a big Welcome to our New teacher - Aleksander Betko. He will be teaching Drawing for Teens and Adults, Portrait Painting, Charcoal and Pastel, and will be taking over Procreate 1 and 2 for Jessica Shen in the Spring when she moves away. We will be sad to see Jessica go but know she will do great things. YAleksander is a skilled artist and teacher and you can see some of his artwork here - <http://aleksanderbetko.art/>

We are currently in the process of getting Aleksander up to speed with everything ActonArt related and are offering a couple free classes that he will be practice teaching.

We still have openings in the Friday, January 30th, Basic 1 Free class from 4-5pm. Please email us at info@actonart.com if you would like to participate.

Thank you,
~ the ActonArt Teachers and Staff
