teaching Drawing for Teens and Adults, Portrait Painting, Charcoal and Pastel, and will be taking over Procreate 1 and 2. Aleksander is a skilled artist and teacher and you can see some of his artwork here - <http://aleksanderbetko.art/>

Yahoo and Verizon email address problems - We have recently become aware that our emails to Yahoo and Verizon addresses may not be getting delivered to everyones Inboxes (or Spam folders). If you have given us a Yahoo or Verizon email address as your primary contact please **email us with an alternative** (if available) so that you do not miss out on any class conformations, important announcements, zoom and registration links, or other communications.

Sick Policy - Please keep students home that are ill. If your child's class runs *Simultaneously* send us an email to let us know they are ill and we will send you a Zoom link so they can join us online. Otherwise we can send you a recording of the project. Painting classes will need to be made up on a different day once your child is well again. Students that have a cough should wear a mask if attending class. If you do not have any an ActonArt teacher will provide one.

Thank you,
~ the ActonArt Teachers and Staff
