Darla F. (age 8) received an Honorable Mention award for the poster she created during our winter workshop for the Cool Science competition and we wanted to tell her **Congratulations** from everyone here at ActonArt. She did an amazing job and we are so proud of her. **Cool Science** aims to engage students, teachers, parents, and the general public with the science of extreme weather through a statewide K-12 student art competition designed to foster learning about climate science. You can read more about Cool Science and Darla's entry here - <https://www.coolscience.net/massachusetts-honorees-20242025>

Spring Student Art Show - All students are eligible to participate. Submissions for the show will begin the week of April 13th and are due by May 10th. All students can submit up to 3 pieces of artwork created this year at ActonArt and we will pick **at least 1** to hang in the show. Submission forms will be given out the week of April 13. Completed submissions (form and artwork) should be deposited in the orange container in the lobby across from Studio A.

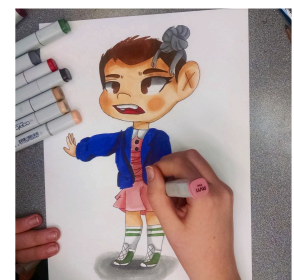

We will be having **Open Studio Hours** on Wednesday April 30 + May 7 and Saturday, May 3 + 10. (This is a change from the Friday and Saturday dates listed in the March newsletter.) so students can come in to finish/perfect any drawings or paintings they plan to submit to the Art Show. Sign up for a time slot on the sign up sheets that will be on the back table in the lobby across from Studio A.

It is time to **Take Home Last Years Art Show Artwork.** If you need help locating your child's artwork, or taking it down off of the wall, please ask any teacher for assistance.

April 21st - Summer Class Registration begins for all students. New this Summer we are offering **Basic 2 and Intermediate 1 Painting** classes. This will be a test run over the summer and if popular will continue into the full school year curriculum. Drawing classes are still available, but if you love painting try these classes out.

Summer Workshop registration is currently open. Check out single and multi-day Summer Workshops here - https://actonart.com/sum_workshops/

Summer Workshops run every week of the Summer from June 23rd to August 1st
